16. Will these BMDs be used in other elections after the Fall 2008 and 2009 Primary and General Elections?

BOE will replace all of the over 7,000 lever machines currently used in New York City for the 2010 elections and beyond. The voting system selected for 2010 and beyond may be different from the BMD devices being used in 2008 and 2009.
